AND THE WATER OF LIFE

vdyygr

...Jesus

A prayer by Derek Prince

!!

“Stand up now, wherever you are. It’s common sense, that you go to God for the best.”

“You can have a clear river. This thing isn’t a puddle. It’s a river. It goes on and on and on. You don’t just say, well in 1974 I spoke in tongues once. That’s not the story. That’s not a river, that’s a puddle. Ok”

Albums, songs, shows are like puddles. Life is a river. Drink. Breathe deeply.

“Begin to drink. You don’t need to gasp, just take in the spirit of God.

Lord Jesus Christ, I believe that you're the son of God, and that on the cross you died for my sins. And rose again from the dead. I trust you for forgiveness and for cleansing. I believe you have received me as a child of God. And because you have received me, I receive myself as a child of God. If there's any resentment in my heart now, any unforgiveness against anyone, I lay it down. I forgive every other person as I would have God forgive me. If I've ever been involved in the occult, I acknowledge that as a sin, I ask your forgiveness, and I loose myself now from every contact with Satan and with occult power

["Witchcraft is the attempt to control people with any other spirit than the Holy Spirit", he says. "The Holy Spirit does not control people. God does not control people" Something like that. Plus there is witchcraft in the church, he said.]

...in the name of Jesus. And now Lord Jesus, I come to you as my baptiser, in the Holy Spirit. I present to you my body to be a temple of your spirit. I yield to you my tongue to be an instrument of righteousness, to worship you in a new language. By faith, I receive this now. And I thank you for it, in the name of Jesus. Amen.”

“Shunndalabarria ...” “suuun!dallabarria allala
chundala! Harralalunndarrabarria lala
EEENdulabaaralalia...”

It was a good prayer, I feel lighter and less crazy.

SPIRITUAL VACUUM

To have an idea of my spiritual vacuum, here is the collection of toilet beer photos I took when I went out.

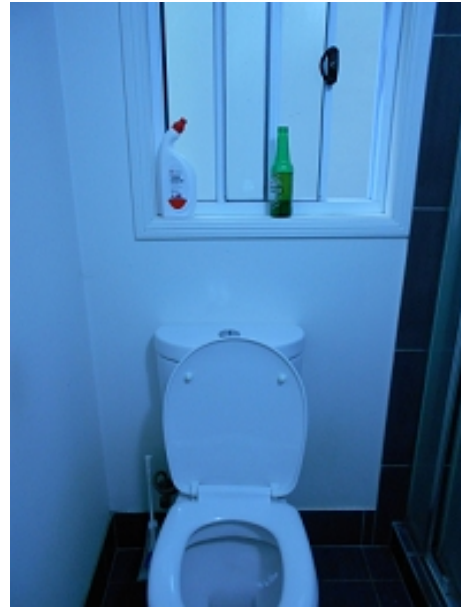

Illustration 1: Beyond Blue anxiety sign in the toilets

Inclusive of all religions, worldviews etc. but all will be subjected to a critical eye and eventually I might run out of will or space to include certain perspectives but yo know nothing's guaranteed in this life and you have to make your own way sometimes. Peace.

BREAK THE CURSE

Break it. Say no more.

My righteousness is filthy rags

Use Cross Wires to wipe your bum

Just keep the truth inside you

Thank you
